

# Lichen Scavenger Hunt

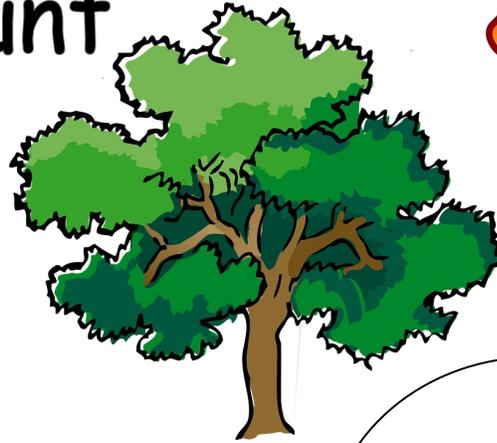

1. Find an one of each:

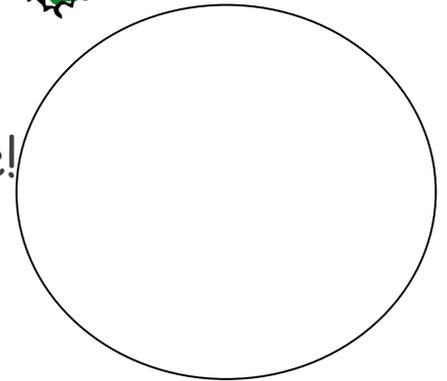

An orange lichen

A gray lichen

A green lichen

2. Draw a lichen of your own in the circle!

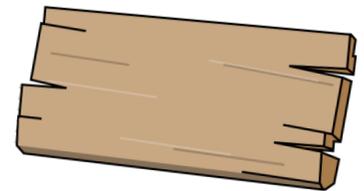

3. How many of each type of lichen

Crustose

Foliose

Fruticose

can you find?

4. Find lichens on a tree  a rock  and a building

5. Look closely at your lichen and see if you can spot any cups or hairs (cilia) coming out of it.
